Daily Stand-ups Sprint 1

9/20/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Andrew	No	Researched and helped think of features for the RFP	I am going to continue to think of features for our RFP
David	No	I started second version of the RFP and created an outline for it along with some new features.	I am adding more features into RFP and will create the project the project scope and software sections
Bryant	No	Researched examples of BRDs	I will create the Project Backlog and work on Project Proposal Features
Sean	No		Brainstorm more features and update the Project Proposal
Joshua			

9/21/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Andrew	No	I helped create new feature ideas for the RFP	I am going to work on the PP Future Vision and PP Features, as well as look over my teammates work and give feedback
David	No	I added more features into RFP and created project scope and software sections	I am going to research features and work on PP Features
Bryant	No	I created the Project Backlog and worked on Project Proposal Features	I am going to work on the PP Competitors and PP User Needs
Sean		Came up with more features and updated project proposal	Implement some features into rfp
Joshua			

9/22/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Andrew	No	I worked on the PP Future Vision and PP Features	I am going to work on PP Glossary and PP Features again, as well as cleanup document
David	No	I added new features and edited other features to fit a theme.	I am working on PP Abstract and PP Proposed Solution.
Bryant	No	I completed the PP User Needs and worked on PP Competitors	I am going to continue working on PP Competitors and create the BRD Framework/Template
Sean	No	Added to rfp unique features	
Joshua			

9/23/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Andrew	No	I completed the PP Glossary and PP Features	
David	No	I completed PP Abstract and PP Proposed Solution.	I am working on researching new ideas for features.
Bryant	No	I completed PP Competitors and worked on the BRD Framework/Template	I am going to complete the BRD Template and work on BRD Overview
Sean	No		Tweak use case format
Joshua			

9/24/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Andrew			
David	No	I thought of 3 new ideas of playdates, puppy growth collage, and to improve pet profile with medical records.	I am going to implement the new ideas and edit other features to align better with our value.
Bryant			
Sean	No	fixed the formatting of our brd usecases	Work on BRD use cases
Joshua			

Daily Stand-ups Sprint 2

9/26/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Andrew	No		I will be assisting with fixing the PP features
David	No	I did not do anything yesterday.	I will be attempting to fix the product features of the RFP.
Bryant	No		I am going to refine PP Features.
Sean	no		

9/27/22	Are you blocked?	What did you do yesterday?	What are you going to do today
Andrew	No	I helped fix the Pet Profiles, as well other gramatical and other similar errors.
