

## Sprint 10/17/2022 - 10/22/2022

Chaz Arvizu

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Description for how to acquire HTTPS and what it does in network diagram					X	10/19
Write description to the overall network diagram, and what information it is conveying					X	10/20

Andrew De La Rosa

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Registration Success 1 Diagram and write description of what is happening					X	10/22

Tania Adame

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Draw overall network diagram of how the application will interact with network					X	10/21

Carlsean Claricia

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Logging Success 1 Diagram and write description of what is happening					X	10/21

Tyler Kelsey

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Logging failure					X	10/20

Diagram 1 and write description of what is happening						
Create Logging failure Diagram 2 and write description of what is happening					X	10/22

Sean Iida

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Registration class					X	10/22

## Sprint 10/24/2022 - 10/29/2022

Chaz Arvizu

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Write scope for LL Design Doc					X	10/29
Create Logging Success 2 Diagram and write description of what is happening					X	10/28
Create Logging Success 1 Diagram and write description of what is happening					X	10/29

Andrew De La Rosa

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Registration Failure 1 Diagram and write description of what is happening					X	10/27
Create Registration Failure 2 Diagram and write description of					X	10/29

what is happening						
-------------------	--	--	--	--	--	--

Tania Adame

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Write description to the overall network diagram, and what information it is conveying					X	10/28

Carlsean Claricia

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Logging Success 2 Diagram and write description of what is happening					X	10/28

Tyler Kelsey

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Logging failure Diagram 3 and write description of what is happening					X	10/29

Sean Iida

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Registration unit tests					X	10/28

## Sprint 10/31/2022 - 11/5/2022

Chaz Arvizu

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create SqlDataAccess class					X	11/3

Create Logging class					X	11/5
----------------------	--	--	--	--	---	------

Andrew De La Rosa

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Registration Failure 3 Diagram and write description of what is happening					X	11/5

Tania Adame

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Write description for the firewall restrictions in network diagram					X	11/4

Carlsean Claricia

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Logging Success 3 Diagram and write description of what is happening					X	11/5

Tyler Kelsey

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Logging failure Diagram 4 and write description of what is happening					X	11/5

Sean lida

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Specify inbound and outbound https traffic in the network diagram					X	11/4

Sprint 11/7/2022 - 11/9/2022

Chaz Arvizu

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create async Logging Data Access class					X	11/8
Create Logging unit tests					X	11/9

Andrew De La Rosa

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
CreateRegistration Failure 4 Diagram and write description of what is happening					X	11/8

Tania Adame

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Description for how to acquire HTTPS and what it does in network diagram					X	11/8

Carlsean Claricia

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Logging Success 4 Diagram and write description of what is happening					X	11/8

Tyler Kelsey

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Create Logging failure Diagram 5 and write description of what is happening					X	11/8

Sean Iida

Work Item	Pending	In Progress	Blocked	QA	Done	Date Completed
Write description for hardware in network diagram					X	11/8
