Work Item	Priority	Due Date	Internal Due Date	Effort (hours)
Create Logging class	1	11/09	11/09	10 hours
Create async Logging Data Access class	2	11/09	11/09	6 hours
Create SqlDataAccess class	3	11/09	11/05	6 hours
Create Registration class	3	11/09	10/22	8 hours
Create Logging unit tests	4	11/09	11/09	4 hours
Create Registration unit tests	5	11/09	10/28	4 hours
Draw overall network diagram of how the application will interact with network	6	11/09	10/21	5 hours
Write description to the overall network diagram, and what information it is conveying	7	11/09	10/22	3 hours
Write description for the firewall restrictions in network diagram	8	11/09	11/4	2 hours
Description for how to acquire HTTPS and what it does in network diagram	9	11/09	10/22	3 hours
Specify inbound and outbound https traffic in the network diagram	10	11/09	11/4	2 hours
Write description for hardware in network diagram	11	11/09	11/8	1 hour
Create Logging Success 1 Diagram and write description of what is happening	12	11/09	10/21	3 hours
Create Logging Success 2 Diagram and write description of what is happening	13	11/09	10/28	3 hours
Create Logging Success 3 Diagram and write description of what is happening	14	11/09	11/5	3 hours
Create Logging Success 4 Diagram	15	11/09	11/8	3 hours

and write description of what is happening				
Create Logging failure 1 Diagram and write description of what is happening	16	11/09	10/20	2 hours
Create Logging failure 2 Diagram and write description of what is happening	17	11/09	10/22	2 hours
Create Logging failure 3 Diagram and write description of what is happening	18	11/09	10/29	2 hours
Create Logging failure 4 Diagram and write description of what is happening	19	11/09	11/5	2 hours
Create Logging failure 5 Diagram and write description of what is happening	20	11/09	11/8	2 hours
Create Registration Success 1 Diagram and write description of what is happening	21	11/09	10/22	5 hours
Create Registration Failure 1 Diagram and write description of what is happening	22	11/09	10/27	3 hours
Create Registration Failure 2 Diagram and write description of what is happening	23	11/09	10/29	2 hours
Create Registration Failure 3 Diagram and write description of what is happening	24	11/09	11/5	2 hours
Create Registration Failure 4 Diagram and write description of what is happening	25	11/09	11/8	2 hours
Write scope for LL Design Doc	26	11/09	10/29	1 hour
Write Description for firewall	28	11/09	10/29	2 hour
Research Firewalls in AWS	27	11/09	10/28	3 hours
